

## **Advice re Cashless Systems:**

- 1. Given the extraordinary times we live in, we hope as many students as possible will use the cashless systems in place for the canteen, tuck shop and coffee dock to help minimise the risk of transmission of Covid 19.**
- 2. For those who are unable or not yet ready to use cashless options, we are asking students to drop the exact coins into a secure container that will be provided in the canteen / tuck shop. This option will ensure the whole School Community is able to play its part in preventing the spread of COVID.**
- 3. As staff are advised not to handle money, we would appreciate that students have the correct coins with them. A price list will be posted on the website in advance of opening the school. We will continue to facilitate pupils who have lost/forgotten their card or have forgotten their lunch money.**
- 4. We recognise the difficulties that everyone has been experiencing since March and we value your support in helping to keep our pupils and staff safe.**
