

## **All Pupils, Parents/Guardians and Staff**

**The Board of Management decided at its meeting of Thursday 26<sup>th</sup> April 2007 to reserve the right to consider all sanctions including expulsion for any pupil involved with Bangers / Fireworks incidents in the school. All pupils should be aware that possession of, distribution of, use of or encouraging the use of Bangers / Fireworks will be regarded as endangering the safety and welfare of the entire school community. We need all pupils to behave responsibly to avoid needless cause of alarm or waste of time.**
